

How Your Giving Can Go Even Further!

The Mississippi Pregnancy Resource Act Supporting Local Families Couldn't Be Easier!

The Pregnancy Resource Act (PRA) is a recently implemented Mississippi law that permits businesses to divert a portion of their tax liability to local pregnancy resource centers, like The Pregnancy Care & Hope Center!

The PRA is a dollar-for-dollar tax credit from the state; essentially allowing you to send the tax dollars you would pay to the state directly to the local pregnancy resource center (PRC) of your choosing. For example, if your business pays \$5,000 to the state in tax liability, you can choose for up to 50% of that amount to be donated to your local Pregnancy Resource Center instead!
